

Money laundering enables serious crimes including human trafficking, drug trade and organ theft. Together we can put a stop to the exploitation of the vulnerable and create a safer global community.

# Human Trafficking: a Lucrative Trade

Annually, an estimated US\$150.2 billion is profited from human trafficking.

US\$99 billion

US\$51 billion

Sexual Exploitation

Others<sup>1</sup>

Here's how much a single criminal transaction can be worth<sup>2</sup>.

- Sexual Exploitation
- Organ Removal
- Illegal Adoption
- Sale of Woman

<sup>1</sup>Includes organ removal, illegal adoption and sale of woman

<sup>2</sup>Based on criminal cases reported, all regions are susceptible to all forms of money laundering-related criminal activities. Mentioned in the Infographic are prominent regions for the reported crimes.
